EUROPEAN UNION 2021/403 Specified pathogen-free eggs (POU-INTRA-SPF) II. Health information II.1. Animal health attestation I, the undersigned official veterinarian, hereby certify that: the specified pathogen-free eggs(1) described in Part I of this certificate have been II.1. dispatched from an establishment approved in accordance with Article 8 of Commission Delegated Regulation (EU) 2019/2035, which is not subject to movement restrictions or situated in a restricted zone established for reasons of listed diseases relevant for avian Part II: Certification species; to the best of my knowledge, and as declared by the operator, the specified pathogen-free II.2. eggs described in Part I come from an establishment where there were no abnormal mortalities with an undetermined cause; II.3. the specified pathogen-free eggs described in Part I come from flocks which are free from specified pathogens as described in the European Pharmacopoeia and the results of all tests and clinical examinations required for this specific status have been favourable; the specified pathogen-free eggs described in Part I are marked individually with the II.4. approval number of the establishment of origin; arrangements have been made to transport the consignment in containers that comply with II.5. Article 5 of Commission Delegated Regulation (EU) 2020/688 and in means of transport that comply with Article 4 of Delegated Regulation (EU) 2020/688. Notes: This animal health certificate is valid for 10 days from the date of issuing. In accordance with the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community, and in particular Article 5(4) of the Protocol on Ireland / Northern Ireland in conjunction with Annex 2 to that Protocol, references to European Union in this certificate include the United Kingdom in respect of Northern Ireland. This animal health certificate shall be completed according to the notes for the completion of certificates provided for in Chapter 2 of Annex I to Commission Implementing Regulation (EU) 2020/2235. Part I: Box I.30: Description of consignment "Age": provide the date of collection. Part II: (1) 'Specified pathogen-free eggs', means hatching eggs derived from "chicken flocks free from specified pathogens", as described in the European Pharmacopoeia and which are intended solely for diagnostic research or pharmaceutical use, as defined in Article 3 of Delegated Regulation (EU) 2020/688. Certifying Officer/Official veterinarian Name (in capital letters) Qualification and title Date of signature Signature Stamp
